

SCARECROW STROLL

ON DISPLAY: NOVEMBER 8TH & 9TH

NAHANTON PARK - 455 NAHANTON STREET NEWTON

NOT SO SCARY SCARECROWS WANTED

Requirements:

- Build your scarecrow to be sturdy and weatherproof so it can shine through wind, rain, or sunshine during the display days.
- Set up can take place on Friday, November 7th after 2:00 pm and must be set up by 10:00 am on Saturday, November 8th at the park (we'll send you the exact spot on a map about a week before). Please remember to pick up your scarecrow by Monday, November 10th.
- Keep your design fun, creative, and family-friendly—something that will make kids (and grown-ups!) smile.
- To keep the spirit festive, scarecrows may not include political messages, controversial themes, or weapons.
- By participating, you're giving the City of Newton permission to share photos of your scarecrow (along with its name and your contact name) to celebrate our community's creativity.
